

Career Opportunity

CIEL Finance Ltd is a subsidiary of CIEL and the specialized Banking & Financial Services cluster of the Group involving 4 sub-sectors of the financial industry: Banking, Fiduciary Services and Companies/Funds Administration, Asset Management and Private Equity. The Company is looking for a dynamic professional interested in the following position:

IT Manager for Digital and New Technologies

The Position

In order to reinforce its capacities in Digital financial services and Innovation, CIEL Finance is recruiting an IT manager for Digital and New Technologies. This recruitment will facilitate the set-up of a new Data Management Competence Center serving CIEL Finance's affiliates, the consolidation of several Digital Banking projects and the emergence & implementation of new innovative solutions and approaches based on the usage of cutting edge digital technologies.

Main Requirements

- BSC or Master Degree in any domain related to technology (IT, telecoms). Specialisation in Data Analytics is a plus.
- 10 years + experience in project management and new technologies in a banking / financial services environment
- Strong experience in implementation and exploitation of data analytic solution (BI, Datamining, AI...)
- Experience in setup and optimization of data platform (Big Data, DWH, ETL...)
- Fluent in English, Professional working proficiency in French
- Ready to travel regularly in Sub-Saharan Africa, the Indian Ocean and India
- Strong interest in Africa
- Ability to lead a small team
- Successful & proven track record in complex projects management
- Open minded and consensus-oriented, able to generate buy-ins from the various interlocutors, though with a strong and resilient personality
- Able to work both on the vision and on its concrete implementation, including undertaking operational tasks when needed.
- Solution oriented
